SUBJECT : Intelligence Oversight Amendments (H.R. 1013)

STAT

After the HPSCI hearing this morning, Mike O'Neil asked me if I had had a chance to look at Congressman Stokes' proposed oversight amendments. Mike stated Mr. Stokes' view is that this bill is no more than an attempt to memorialize what HPSCI had believed to be the status quo until the Iranian situation. Mike suggested that he, Dave Doherty, you and I get together for an informal discussion about the legislation and related matters. I think that is probably a good idea, but we ought to get together in-house first to decide how to proceed.
